A. General Safety and Health Protocols

1. Lobby is closed to viewing, waiting or entry to parent/guardians of dancers 3rd grade and older. Exceptions apply. Please contact the studio if you feel your may need a transition period with parent involvement.
2. Dancers and staff will enter through the front door and exit through the front door.
3. Dancers must bring personal water bottles.
4. The toy chest will temporarily be removed from the lobby.
5. All studios are equipped with code inspected outside air returns
6. Covid safety plan has been shared with all staff, and is posted in the teacher work room.
7. Masks are currently optional for students and staff while in studio classrooms. Dance studios fall under the privately owned gym umbrella allowing business owners to mandate what is best for their clientele.
8. Masks must be worn in the main/front lobby area.
9. Dancers and staff members will either wash hands with soap and water or use hand sanitizer before they enter the dance room and when they exit the dance room. Self-serve sanitizing stations are in each dance room for students to sanitize hands before entering class.
10. Each student must keep his or her personal items in an enclosed bag.
11. Only one dancer in the dressing room or bathroom at a time.
12. Parents may set up an in-person appointment if necessary with the Office
13. Dancers who come to class with Covid related symptoms will be immediately sent to the office where parents will be contacted to pick up their child.

B. Cleaning protocols

1. The studio is cleaned in its entirety daily before classes, including disinfection of all surfaces.
2. Surfaces used during class include barres, teacher desks and door handles
3. Bathrooms are cleaned regularly with a disinfectant to fight Covid-19.

C. Drop off and pick up procedures protocols

1. Dancers must wait outside or with a parent in the car.
2. Dancers cannot be dropped off more than 5 min early for class or pick up more than 5 min late.
3. Dancers must use hand sanitizer before starting class.

4. Teachers will ensure personal items are securely in student bags before students line their belongings against the wall. After class dancers will be dismissed from the dance room to their parents waiting outside or in cars in parking lot area.
5. Dancers should use hand sanitizer when exiting the studio
6. Parents of dancers 8 and above are encouraged not to exit their cars to drop off or pick up their dancers.
 - a. For dancers under age 8, parents may wait in outdoor designated areas.
7. The studio front parking lot will be off limits to parking so parents can use this area as a drop-off and pick up zone. Parking is available street side or in the community lot East of the studio.

D. Employee Training

ALL staff participated in a meeting/review of all studio procedures. A written copy of all procedures will be provided to all staff and they will sign off on the agreement to comply with all protocols. Any staff member not following studio protocol will not be allowed to teach.

1. Self Screening by staff members
 - a. Do not come into the studio if you are/have sneezing, coughing, runny nose, sore throat, fever of 100 or higher.
2. Staff must wash hands or use hand sanitizer when they enter the building and in between classes
3. Staff must wash their hands or use hand sanitizer after touching their face or using the restroom.
